ABOUT ME

Recent graduate with a passion for art, design, and illustration. Eager to apply, develop, and build upon the art and design skills I've been practicing and studying. My experience as an artist combined with my design abilities allow me to bring fresh and innovative ideas to the table.

SKILLS

- ~ Knowledge of color theory and ability to create and use color palettes.
- ~ Intuitive sense for design, backed with study and practice.
- ~ Reseraching, brainstorming and creating moodboards and sketches.
- ~ Drawing and illustration, both traditionally and digitally.
- ~ Using repetition, typography, and style to create consistent branding.
- ~ Close attention to detail.
- ~ Experience editing photographs, of products and for various projects.
- ~ Active listener and effective written and verbal communicator.
- ~ A fast learner who can generate creative solutions to problems.
- ~ Organized, intelligent worker able to manage time and projects effectively.
